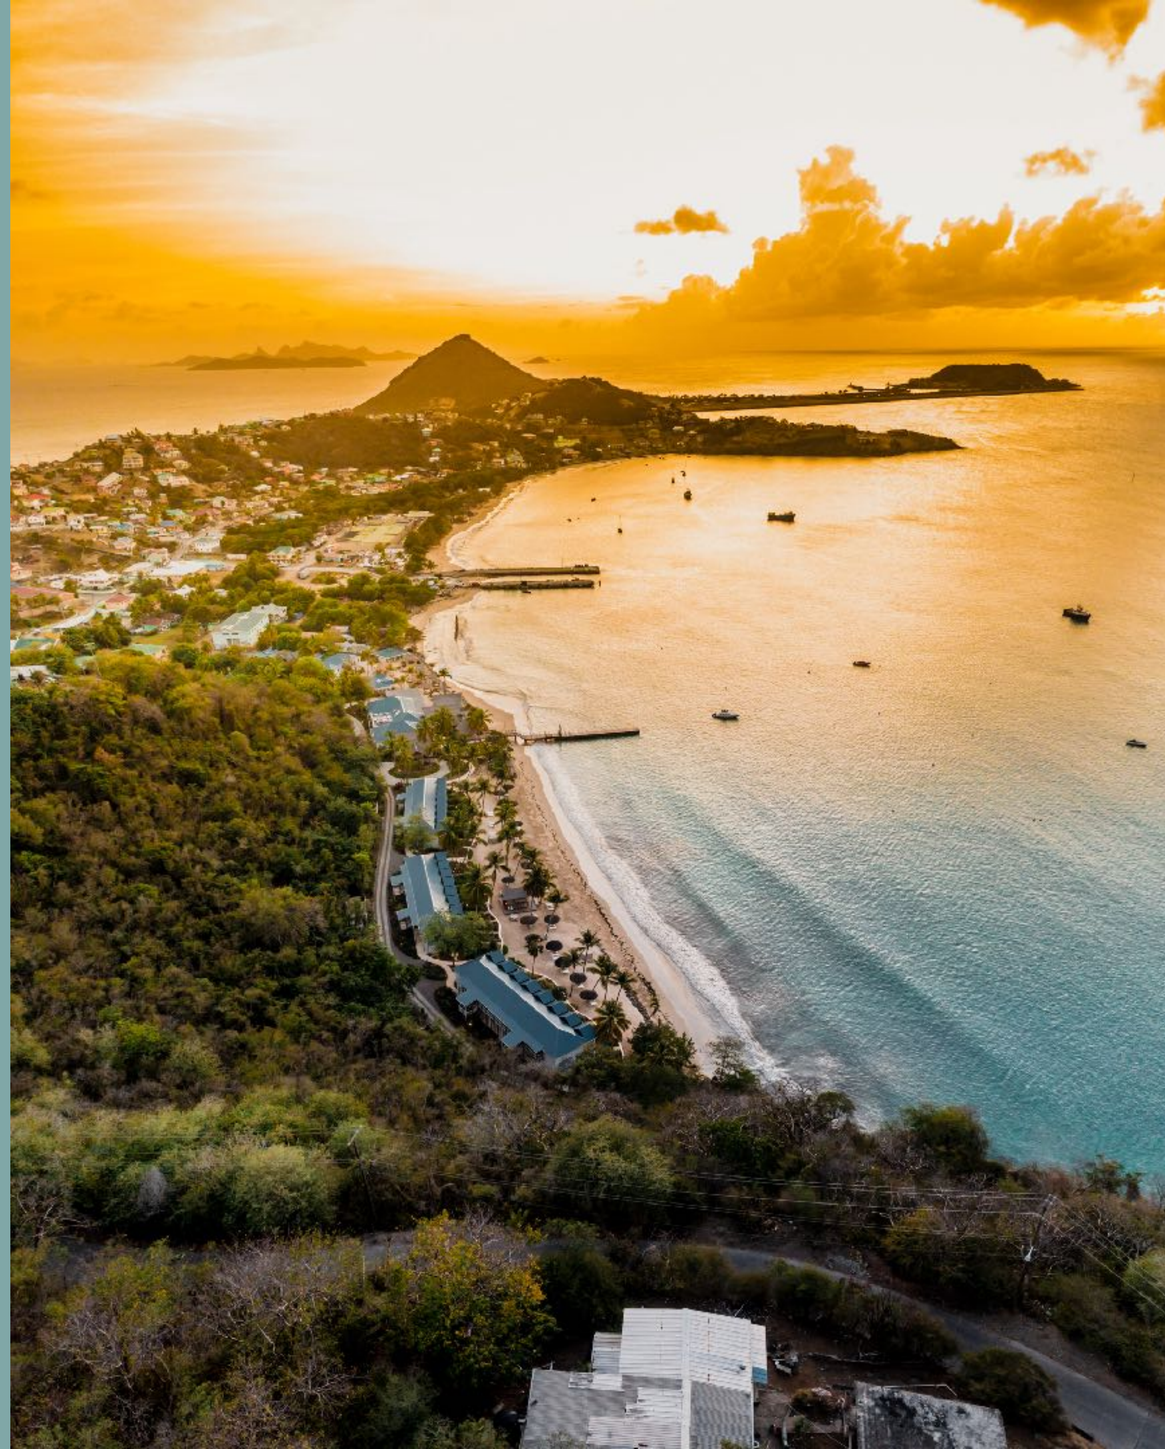
SOHO BEACH HOUSE

CANOUAN

Canouan Island

Nestled in the Eastern Caribbean is Canouan Island, a gem among the 32 islands and cays of St. Vincent & the Grenadines that offers a unique backdrop for the Soho House experience.

Positioned 25 miles south of St. Vincent, its global location places it 1600 miles southwest of Miami, 368 miles north of South America, and a mere 110 miles west of Barbados. Embodying a crescent shape, the island is embraced by magnificent marine shadows and vibrant coral reefs. Echoing its rich history, "Canouan," derived from the Old Carib term, translates to Turtle Island. As the third largest island of the Grenadines, Canouan provides a distinctive blend of authenticity and luxury for Soho House members and guests.



Travel

Reaching the tranquil Canouan Island is made convenient with multiple direct flight options from key global cities. Travelers can embark on non-stop flights from destinations like London, Manchester, Paris, Miami, New York, and Toronto, among others. Depending on your location, you can connect through main hubs such as Barbados (BGI), Grenada (GND), Martinique (FDF), St. Lucia (UVF), and St. Vincent (SVD) to reach Canouan seamlessly.

Whether you're flying from North America or Europe, the pathways to Canouan are well-connected, ensuring a smooth journey to this picturesque Caribbean paradise. For added convenience, Soho House offers an exceptional concierge service to assist guests in booking connecting flights directly to the House. Hiking to Mount Royal is an exhilarating adventure for nature enthusiasts and outdoor lovers. The trail to the summit takes you through dense forests and lush vegetation, offering a rich biodiversity of flora and fauna along the way. As you ascend, the panoramic views become increasingly breathtaking, showcasing the island's stunning coastline and the turquoise waters of the Caribbean Sea.
