# Bedrooms

Our bedrooms range in size from Tiny to Extra Large - some with views of the Canals. Each one combines custom-made furniture with vintage pieces sourced from local antique markets. Bed throws, headboards and fabrics are inspired by historical Dutch references and Art Deco detailing. Our bedrooms are available for group and individual bookings.

# Cecconi's Amsterdam

Located on the ground floor of the Bungehuis, Cecconi's Amsterdam is a modern day classic Italian restaurant including a lounge with retractable glazed ceiling for an Italian courtyard feel, a large horse shoe shaped bar and a formal dining area overlooking the canals of Amsterdam.

Enzo Cecconi opened the doors of the first Cecconi's in London's Mayfair back in 1978, and now our popular public Italian restaurant is in Amsterdam. Please enquire about groupbookings or complete restaurant hire.

# Cowshed
