MORNING ROUTINE

'Due to time and commitments, I usually spend 30 minutes in the weights room – that's a great opportunity to use giant sets. They intensely increase the total time under tension per set, which means you can achieve a large volume of workouts in a relatively short period, so I'm done and ready for the day.'

TOP TIP

'Do something today that your future self will thank you for.'

MORNING ROUTINE

‘I start my day by letting in the light and making my bed, before having a glass of crystal-charged lime water. I do an express meditation, followed by some yoga poses to get my circulation going. Then, I make an adaptogenic matcha drink and sip this as I gear myself up to deliver some energising sessions for my clients.’

TOP TIP

‘Every passing moment is another chance to turn it all around – stay curious and imagine the impossible. It’s about the journey, not the destination.’
