

## Accessibility Statement: Dean Street

We are committed to improving access to our sites and services for people who use wheelchairs, those with ambulant disabilities, people who are deaf, hard of hearing and those with partial sight so everyone can enjoy them. Staff are required to undergo an induction training session that informs them on basic access awareness, encouraging the use of the social model of disability.

Here are the facilities we provide and in the instances where we cannot ensure accessibility, we will endeavour to provide an alternative.

If you have any suggestions, comments or feedback about our accessibility services please email [membership@sohohouse.com](mailto:membership@sohohouse.com) or ring your local House.
