

HOUSE ART

180 HOUSE
LONDON

Introduction by Kate Bryan,
Soho House Global Director of Art

The Soho House art collection at 180 The Strand includes over 100 artists, all of whom have a strong relationship with the London art scene. The collection responds to both the Brutalist landmark building itself and the high quality of both emerging and museum-level talent that show work in the capital.

A piece of living history, the rooftop has a large double-wall installation of 70 artworks that were created during the global pandemic. It features scenes and messages as diverse as: queues to buy guns in middle America (David Risley); socially distanced queuing for a supermarket in the rain (Christabel Blackburn); BLM protest imagery (Danny Augustine); dancing as an act of resistance (Kemi Onabule) and poem paintings, such as 'if you like you can just snog me and then drop me off at the hospital' (Gommie). United by the difficult circumstances in which they were created, each work is framed in a bright colour as a reminder of the city's collective rainbow response to the social isolation of lockdown.

On the eighth floor, *Soho Self* is a collection of 20 self-portraits from an international line-up of artists, which toured as part of the Cities Without Houses event programme. Now retired from touring, the works include traditional figurative works by artists such as Tai-Shan Schierenberg and Maggi Hambling, alongside more conceptual depictions of identity by Richard Winkworth and Reba Maybury, among others.

The collection also features several museum-level stand-alone pieces, including works by Donna Huanca, Marilyn Minter, Ángela de la Cruz, Lynette Yiadom-Boakye and Megan Rooney. Artists who joined the collection for the first time include: Yinka Ilori, Alexandria Coe, Richard Mark Rawlins, Ryan Driscoll, Jemima Kirke and Chelle Stapleton.

*BECAUSE THERE IS NO GOD SOMEONE
MUST TAKE RESPONSIBILITY FOR MEN.
A CHARISMATIC LEADER IS IMPERATIVE.
HE CAN SUBORDINATE THE SMALL WILLS
TO THE GREAT ONE. HIS STRENGTH
AND HIS VISION REDEEM MEN. HIS
PERFECTION MAKES THEM GRATEFUL.
LIFE ITSELF IS NOT SACRED, THERE
IS NO DIGNITY IN THE FLESH.
UNDIRECTED MEN ARE CONTENT WITH
RANDOM, SQUALID, POINTLESS LIVES.
THE LEADER GIVES DIRECTION
AND PURPOSE. THE LEADER FORCES
GREAT ACCOMPLISHMENTS. MANDATES
PEACE AND REPELS OUTSIDE
AGGRESSORS. HE IS THE ARCHITECT
OF DESTINY. HE DEMANDS ABSOLUTE
LOYALTY. HE MERITS UNQUESTIONING
DEVOTION. HE ASKS THE SUPREME
SACRIFICE. HE IS THE ONLY HOPE.*

SOHO VISIONARIES

'Working across painting, photography and sculpture, the three artists selected for Soho Visionaries may have distinct practices, but they all share a commitment to rethinking the world around us. At heart they are storytellers, and the works they have created as part of this initiative will be permanent reminders that art allows us to see beyond the expected.'

The Soho Visionaries series, powered by Porsche, amplified the voices of three local artists and members who are driving culture forward. Together, Soho House and Porsche commissioned new site-specific works displayed at Soho Farmhouse, Soho House Barcelona and Soho House Berlin. The series is supported by events that celebrate Soho House's creative community, and allow members to participate in art workshops and talks around the world.
