Introduction by Kate Bryan,
Soho House Global Director of Art

The art collection at Soho House Barcelona features more than 100 works throughout the building, from museum-level names to emerging talent, including our first stairwell mural by Blanca Miró. Works on paper by two big names of Spanish art, Pablo Picasso and Regina Giménez, are on display in reception. The House also has pieces by Picasso's technician and close friend, Julio González. Other local artists include Aldo Urbano Perez, Mercedes Mangrané, and Rosanna Casano.

International artists were also invited to join the collection, including Nicolas Party, Mary Ramsden, Tomma Abts, Betty Woodman, Caragh Thuring, Kate Boxer, Holly McCulloch, and Kaye Donachie.

In 2023, local artist Bernat Daviu created a new painting for the House as part of our Soho Visionaries programme, powered by Porsche.

SOHO VISIONARIES

POWERED BY PORSCHE

The Soho Visionaries series, powered by Porsche, amplifies the voices of local artists and members who are driving culture forward. Together, Soho House and Porsche have commissioned site-specific works that visually embrace the Porsche ethos of bringing dreams to life.

The series is supported by events that celebrate Soho House’s creative community, and inspire imagination through art workshops, talks and immersive experiences around the world.

‘Working across painting, photography and sculpture, the three artists selected for Soho Visionaries may have distinct practices, but they all share a commitment to rethinking the world around us. At heart they are storytellers, and the works they have created as part of this initiative with Porsche will be permanent reminders that art allows us to dream and see beyond the expected. Look out for more commissions coming to our Houses soon.’
