**Introduction by Kate Bryan,**  
Soho House Global Director of Art

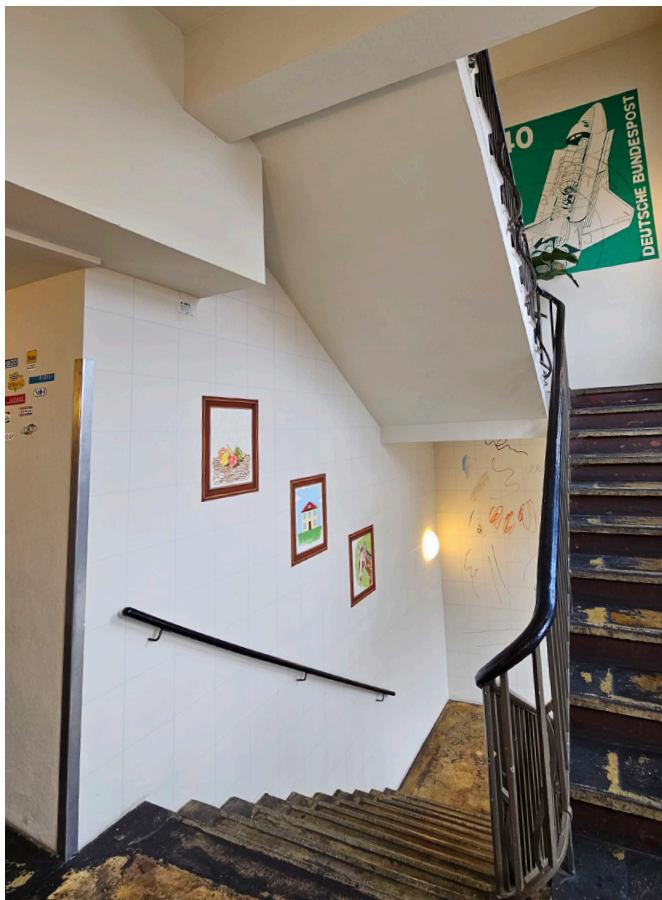

A star of the global Soho House art collection, Damien Hirst's large 'Shark' – displayed in the lobby of Soho House Berlin – was created on site and sprayed from the can directly onto its boards when the House was still wrapped in hoarding.

Elsewhere, the collection includes many Berlin-based and German artists, including Claudia Comte, Kimberly Klauss, Nicole Wermers, Wolfgang Tillmans, Gert & Uwe Tobias, Martin Eder, Jorinde Voigt, Katja Strunz, Matthias Bitzer, Thomas Helbig and Christian Jankowski. In 2023, Berlin-based Italian artist Francesco Gioacchini finished a new multi-level stairwell mural that deals with the idea of childhood play and universally recognised games.

# SOHO VISIONARIES

**'Working across painting, photography and sculpture, the three artists selected for Soho Visionaries may have distinct practices, but they all share a commitment to rethinking the world around us. At heart they are storytellers, and the works they have created as part of this initiative will be permanent reminders that art allows us to see beyond the expected.'**

The Soho Visionaries series, powered by Porsche, amplified the voices of three local artists and members who are driving culture forward. Together, Soho House and Porsche commissioned new site-specific works displayed at Soho Farmhouse, Soho House Barcelona and Soho House Berlin. The series is supported by events that celebrate Soho House's creative community, and allow members to participate in art workshops and talks around the world.
