**Introduction by Kate Bryan,**  
Soho House Global Director of Art

Renewed in 2018, Soho House 40 Greek Street collection features more than 300 artworks by an international, multidisciplinary line-up of artists, including focused presentations and site-specific installations.

Installed on mirrors in the Circle Bar, 40-40-40 is a platform for young artists: 40 artists, under the age of 40 at 40 Greek Street. Many of these artists have gone on to spectacular success since, including Issy Wood, Holly Hendry and Megan Rooney.

For the curatorial game Walk The Line, we asked a group of established artists to create a continuous single-line drawing based on the famous Paul Klee quotation: 'A line is a dot that went for a walk'. The collection includes pieces by Tracey Emin, Jake & Dinos Chapman, Maggi Hambling, Idris Khan, Conrad Shawcross, Helen Marten, Tacita Dean and Yinka Shonibare.

The art in the reception area is based on the theme of the written word and features a book-cover painting by Harland Miller, Elmgreen & Dragset's large newspaper diptych, Gina Soden's photographs of abandoned libraries, a book entirely redacted in blue pen by Edith Dekyndt, and minimalist paintings made by wrapping and dipping book edges by Jeff McMillan.

The House incorporates a number of sculptural works. These include pieces by Polly Morgan, Julian Wild, Amy Stephens and a major work in marble on the first-floor terrace by Kevin Francis Gray.

Several works are site-specific, including innovative photo-frescoes in the Soho Room by Walter & Zoniel, which pay homage to long-standing Soho House team members, including founder Nick Jones.

Other highlights include Charming Baker's series of ducks in the events room, a large site-specific tapestry by Annie Morris, a vintage Sarah Lucas, and two paintings on paper by Adrien Ghenie.

# SOHO VISIONARIES

**'Working across painting, photography and sculpture, the three artists selected for Soho Visionaries may have distinct practices, but they all share a commitment to rethinking the world around us. At heart they are storytellers, and the works they have created as part of this initiative will be permanent reminders that art allows us to see beyond the expected.'**

The Soho Visionaries series, powered by Porsche, amplified the voices of three local artists and members who are driving culture forward. Together, Soho House and Porsche commissioned new site-specific works displayed at Soho Farmhouse, Soho House Barcelona and Soho House Berlin. The series is supported by events that celebrate Soho House's creative community, and allow members to participate in art workshops and talks around the world.
