

An abstract painting with thick, expressive brushstrokes in shades of pink, blue, purple, and yellow. In the lower right, two small figures are visible: a man in a dark suit and a woman in a yellow top, sitting on a dark, rocky ledge. The overall style is expressive and modern.

# HOUSE ART

SOHO HOUSE

STOCKHOLM

POWERED BY **PORSCHE**

Soho House and Porsche have come together to support and spotlight creative pioneers driving culture forward

**Introduction by Kate Bryan**  
Soho House Chief Art Director

This art collection is comprised of more than 70 pieces exclusively acquired from artists born, based or trained in Sweden with a high percentage based in Stockholm. Established names include Ragna Bley, Carsten Höller, Anna Bjerger, Annika Elisabeth von Hausswolff, Paul Fägerskiöld, Charlotte Johannesson, Linda Hofvander, Andreas Eriksson, Lotta Antonsson, Nathalie Djurberg, and Hans Berg. These are exhibited alongside more emerging talent such as Afrang Nordlöf Malekian, Anna Choutova, Elina Birkehag, Joséphine Kamoun Johansson, Judit Kristensen, and Julia de Ruvo.

The collection plays with space where possible, disrupting pre-conceived ideas about what art in a church might look like. A series of small works runs up every stairwell, full of witty and sometimes subversive imagery.

# SOHO VISIONARIES

POWERED BY PORSCHE

The Soho Visionaries series, powered by Porsche, amplifies the voices of local artists and members who are driving culture forward. Together, Soho House and Porsche have commissioned site-specific works that visually embrace the Porsche ethos of bringing dreams to life.

The series is supported by events that celebrate Soho House's creative community, and inspire imagination through art workshops, talks and immersive experiences around the world.

'Working across painting, photography and sculpture, the three artists selected for Soho Visionaries may have distinct practices, but they all share a commitment to rethinking the world around us. At heart they are storytellers, and the works they have created as part of this initiative with Porsche will be permanent reminders that art allows us to dream and see beyond the expected. Look out for more commissions coming to our Houses soon.'
