SOHO HOUSE  
ART COLLECTION

**Introduction by Kate Bryan,**  
Global Art Director of Soho House

The permanent Soho House Amsterdam art collection was curated site specifically between 2017-2018. The collection acknowledges the weighty history of Dutch art including a self-portrait collection in the main club space which is an homage to Rembrandt and Van Gogh, two of the greatest self portraitists of all time. The wall features pieces by Fiona Tan, Marcelle Hanselaar, Billy Childish, Catherine Opie, Ming Wong, Clare Woods and Lisa Brice.

In the cinema lounge is another contemporary collection which references the great golden age of Dutch landscape oil painters with works by established artists such as Tacita Dean and Charlotte Prodger alongside more emerging names such as Sanja Marusic and Rui Matsunaga.

On the ground floor in Cecconi's the selection of work all draws inspiration from Dutch Still Lives and Vanitas paintings including work by Fleur van Dodeward, Zoë Buckman, Mat Collishaw, Addie Wagenknecht, Gordon Cheung, Ina van Zyl, Manon Wertenbroek and Wouter Venema.

Alongside the Dutch artist included in these international thematic collections, the House displays a large number of other local artists including museum level figures such as Studio Drift, Esther Tielemans and Amie Dicke.
