

SOHO HOUSE ROME

SOHO HOUSE  
ART COLLECTION

**Introduction by Kate Bryan,**  
Global Art Director of Soho House

The Soho House Rome art collection consists mostly of works created by artists who live and work in Italy, with an emphasis on those who are Lazio-based. In the main club space, there is a curatorial focus on the theme Saints and Sinners; both local and international artists have been invited to create a work that addresses this age-old concept. The idea has been interpreted in a myriad of inventive ways; from football ultra-fans to Mary Magdalen, the art investigates good and evil and the space between. Featuring established Italian artists such as Gianni Politi, Silvia Giambrone, Claudio Verna, Elisa Montessori, Emiliano Maggi, Gabriele de Santis, Micol Assaël, Rã di Martino, Marta Mancini, Manfredi Gioacchini, Andrea Martinucci and Thomas Braidà.

In the ground floor Studio, there is a collection of international artists who responded to the notion of quarantine; collaborating with an artist in another city during 2020 to make an artwork. Artists include Thomas Heatherwick, Xaviera Simmons, Dread Scott, Sol Calero, Zoë Buckman, Ilit Azoulay and Chi Wo Leung. The rooftop has a site-specific mural by Roman artist Gio Pistone, and each bedroom includes new art created for the site from emerging artists who studied or are based in Italy: Josip Grgić, Azadeh Ardan and Nicolò Bruno.

The collection was curated in 2021 by Global Director of Art for Soho House Kate Bryan and Senior Art Collection Manager Sara Terzi.
