

Canouan Island

Nestled in the Eastern Caribbean is Canouan Island, a gem among the 32 islands and cays of St. Vincent & the Grenadines that offers a unique backdrop for the Soho House experience.

Positioned 25 miles south of St. Vincent, its global location places it 1600 miles southwest of Miami, 368 miles north of South America, and a mere 110 miles west of Barbados. Embodying a crescent shape, the island is embraced by magnificent marine shadows and vibrant coral reefs. Echoing its rich history, "Canouan," derived from the Old Carib term, translates to Turtle Island. As the third largest island of the Grenadines, Canouan provides a distinctive blend of authenticity and luxury for Soho House members and guests.
