Welcome

The Luckman Club, named in honor of the building's original architect Charles Luckman, is located on the main floor of Soho House West Hollywood. Inspired by classic Hollywood glamor, it features three event spaces with views of the Los Angeles skyline, Beverly Hills and sunsets over the Pacific Ocean. It's the ideal location for hosting a special event.

LUCKMAN CLUB BAR

Inspired by the colors of Californian sunsets, this space has deep ruby-red wainscoting and silk wall coverings. A cocktail bar, featuring mauve leather with rich wood and earthy pink marble, serves as a focal point. The room also includes furniture with classic 1960s Hollywood designs, upholstered in jewel-toned fabrics.
