About Soho Works New York

Soho Works is an international network of workspaces by Soho House, designed and equipped to help creative thinkers and businesses connect, collaborate, and grow.

Our spaces combine the feeling of our Houses with the tools, technology and equipment to help businesses do their best work.

Each workspace offers meeting rooms, flexible private hire options and a curated program of member events to help you and your business grow.

Open now at 875 Washington, 55 Water, and 10 Jay.
