

An abstract painting featuring a large, pale face with two large, dark, oval eyes. The face is rendered with soft, blended colors of white, light blue, and pink. To the right of the face is a dark, solid silhouette of a person's head and shoulders. Below the face, there are dark, expressive, and somewhat chaotic brushstrokes in shades of purple, black, and brown. At the bottom of the image, there are more abstract, warm-toned brushstrokes in shades of orange, pink, and brown.

# HOUSE ART

SOHO HOUSE

ROME

POWERED BY **PORSCHE**

Soho House and Porsche have come together to support and spotlight creative pioneers driving culture forward

Cover artwork (detail) by Gianni Politi in Soho House Rome

**Introduction by Kate Bryan,**  
Soho House Chief Art Director

The Soho House Rome art collection consists mostly of works created by artists who live and work in Italy, with an emphasis on those who are Rome based. In the main club space, there is a curatorial focus on the theme of 'Saints and Sinners'; both local and international artists have been invited to create a piece that addresses this age-old concept. The idea has been interpreted in a variety of inventive ways – from football ultra-fans to Mary Magdalene, the art investigates good and evil, and the space between. Featured established Italian artists include Gianni Politi, Silvia Giambone, Claudio Verna, Elisa Montessori, Emiliano Maggi, Gabriele de Santis, Micol Assaël, Rà di Martino, Marta Mancini, Manfredi Gioacchini, Andrea Martinucci, and Thomas Braidia.

In the ground-floor San Lorenzo Studio, there is a collection of international artists who responded to the notion of quarantine by collaborating with an artist in another city during 2020 to make an artwork. Artists include Thomas Heatherwick, Xaviera Simmons, Dread Scott, Sol Calero, Zoë Buckman, Ilit Azoulay, and Leung Chi Wo. The rooftop has a site-specific mural by Roman artist Gio Pistone, and each bedroom features new art created for the House by emerging artists who studied or are based in Italy: Josip Grgić, Azadeh Ardalan and Nicolò Bruno.

The collection was curated in 2021 by Soho House Chief Art Director, Kate Bryan, and Senior Art Collections Manager, Sara Terzi.

# SOHO VISIONARIES

POWERED BY PORSCHE

The Soho Visionaries series, powered by Porsche, amplifies the voices of local artists and members who are driving culture forward. Together, Soho House and Porsche have commissioned site-specific works that visually embrace the Porsche ethos of bringing dreams to life.

The series is supported by events that celebrate Soho House's creative community, and inspire imagination through art workshops, talks and immersive experiences around the world.

'Working across painting, photography and sculpture, the three artists selected for Soho Visionaries may have distinct practices, but they all share a commitment to rethinking the world around us. At heart they are storytellers, and the works they have created as part of this initiative with Porsche will be permanent reminders that art allows us to dream and see beyond the expected. Look out for more commissions coming to our Houses soon.'
