

SOHO HOUSE HONG KONG

SOHO HOUSE
ART COLLECTION

Introduction by Kate Bryan,
Chief Art Director of Soho House

The art collection for Soho House Hong Kong was the first site in the world where we were extremely strict and collected 100% artists born or based in the city. Hong Kong is too often seen as a meeting point for East and West when in fact it has its own thriving independent art scene.

Featuring over 40 artists including several museum level names such as Lee Kit, Evelyn Taocheng Wang, João Vasco Paiva and Leung Chi Wo, the collection also showcases emerging talent such as Stephanie Sin, Ant Ngai, and Elise Lai.

The House includes the first neon work in the collection, 'Serene Green' by Ko Sin Tung. The collection was curated by Kate Bryan in 2018-19 who previously lived and worked in Hong Kong and received her postgraduate degree at the University of Hong Kong in 2011.
