SOHO HOUSE
ART COLLECTION

Introduction by Kate Bryan,
Chief Art Director

The art collection at Soho Roc House highlights a selection of contemporary artists who are predominately born, based, or trained in Greece. The artists featured, Olga Migliaressi-Phoca, Sofia Stevi, Dimitris Gketsis, Aristeidis Lappas, Eleni Psyllaki, and Lulama Wolf, represent a range of styles and mediums, reflecting the diversity of Greece's current art scene.

Exploring themes which move from cultural consumption to myths and antiquity these works are a small cross-section of art being made in Greece today.
