Welcome

Built in 1705 and set within 18 acres of Somerset countryside, Babington House – our Grade II-listed rural retreat – features a church on the grounds, 33 bedrooms and a restaurant with floor-to-ceiling windows, as well as having no curfew due to its remote location.

THE DETAILS

Take over the entire House and let our handpicked directory of suppliers – from photographers to entertainers – help tailor your special day to all your requirements. Throughout the day, you'll enjoy a Champagne reception and dinner in the Orangery, plus you and your guests will be free to stay up as late as you like, thanks to the House's remote location and lack of curfew. Once you've finished dancing the night away, your guests can stay over in one of the 33 bedrooms, all reserved for your group.

THE CEREMONY

Adjacent to Babington House, you'll find The Church of St Margaret, a Grade I-listed building that dates back to 1748 and can host up to 90 guests. Non-religious weddings are held in the Orangery and Library or, during the warmer months, outdoor civil ceremonies can be arranged on the croquet lawn.

THE FOOD

With views of the grounds from the floor-to-ceiling windows and carefully curated menus featuring locally sourced ingredients - including produce from the Walled Garden - dine with your guests in the Orangery and enjoy a selection of family-style sharing dishes.

THE BEDROOMS

The House's 33 bedrooms will be reserved for your friends and family to stay over after the wedding. Ranging from small split-level bedrooms to large family rooms, each space includes Cowshed products, a rainforest shower and homemade cookies. The largest bedroom in the House, the Playroom, is booked for the wedding couple, and features views of the lake and grounds, a double bath and a spacious seating area.
