## POOL AND BEACH

In the heart of the Pool Lounge, the landscape seamlessly blends nature and design. There are stone-paved pathways with natural vegetation, plus a continuous plaster floor that extends to the pool. Guests can relax on sunbeds, and enjoy a range of cocktails and smoothies.

The panoramic view spans three levels: the pool area, Deck 1, and sandy Deck 2, which has a private dock. Seasonal special events and DJ sets can be enjoyed here. With seating for up to 90 people, our sunbeds are an ideal spot for taking in the views.

## WELLNESS

### Cowshed

Located near the pool and restaurant, a tranquil massage hut awaits. A winding stone path takes you to a wooden pergola surrounded by grasses and bamboo, creating a sense of seclusion. Daily offerings include Cowshed massages, ranging from invigorating to therapeutic, along with our signature treatments for ultimate relaxation.

### House gym

Our open-air gym, with a view of Paradise Beach, welcomes both members and House guests. Enjoy a customised programme of fitness classes, mind and body workshops, and private sessions with our onsite instructor.

## PRIVATE EVENTS

The House is an ideal venue for your special occasions. Due to its intimate size, we recommend a full buyout for weddings and large groups, ensuring an exclusive experience. Our adaptable public areas have no constraints on timing, decoration, amenities, or event types. Enjoy elevated dining in our restaurant, or host relaxed gatherings in our pergola or on the lower deck surrounded by beautiful scenery.

Our restaurant can seat up to 120 people for seated events and 200+ guests for a cocktail reception.

For more intimate gatherings, our pergola and lower deck are versatile and can accommodate seated dinners, cocktail parties or relaxed barbecues. All of our spaces offer sea views, creating the perfect backdrop for any event.

We also have a fully equipped bar, which can be exclusively set up for your event. If you do not choose a full buyout, there may be some limitations in rearranging the layout of public areas, but we will work closely with you to make the most of the space to suit your needs. This also extends to the menu and decoration, ensuring we create an event that reflects your vision.
