Introduction by Kate Bryan,
Soho House Chief Art Director

Recently refreshed in 2023, the Soho House New York collection features a strong line-up of museum-level artists who were born, based and trained in the city, including Derrick Adams, Adam Pendleton, Christopher Myers, Tschabalala Self, Sheree Hovsepian, Cassi Namoda, Juliana Huxtable, and Jenny Holzer.

The collection also features a younger generation of talent, including b. chehayeb, Ficus Interfaith, Maia Cruz Palileo, Coumba Samba, and Nasim Hantehzadeh. The majority of the original monochromatic collection has been reinstalled in a maximalist hang in the Vinyl Room, which includes Richard Prince, Rashid Johnson, Joyce Pensato, and Mark Bradford.

SOHO VISIONARIES

POWERED BY PORSCHE

The Soho Visionaries series, powered by Porsche, amplifies the voices of local artists and members who are driving culture forward. Together, Soho House and Porsche have commissioned site-specific works that visually embrace the Porsche ethos of bringing dreams to life.

The series is supported by events that celebrate Soho House’s creative community, and inspire imagination through art workshops, talks and immersive experiences around the world.

‘Working across painting, photography and sculpture, the three artists selected for Soho Visionaries may have distinct practices, but they all share a commitment to rethinking the world around us. At heart they are storytellers, and the works they have created as part of this initiative with Porsche will be permanent reminders that art allows us to dream and see beyond the expected. Look out for more commissions coming to our Houses soon.’
