Welcome

Located on Dean Street in the heart of Soho, the Soho House Recording Studio blends comfort, style, and cutting-edge technology.

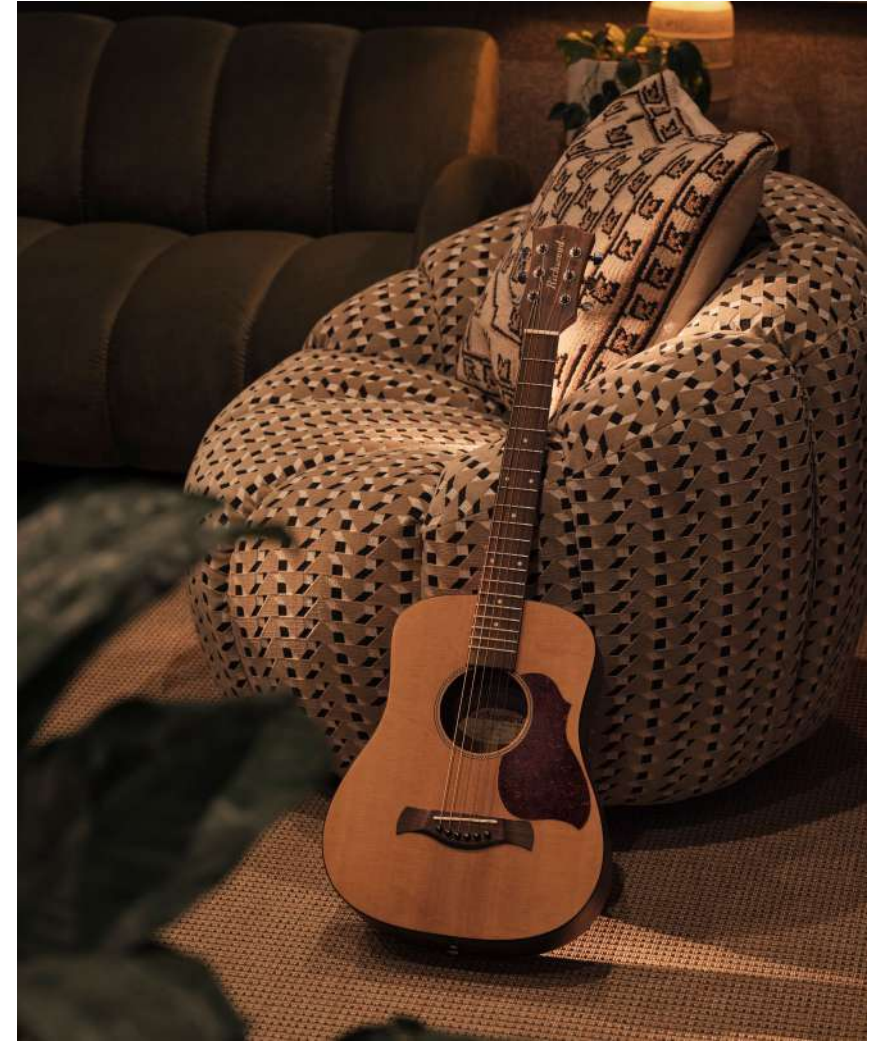

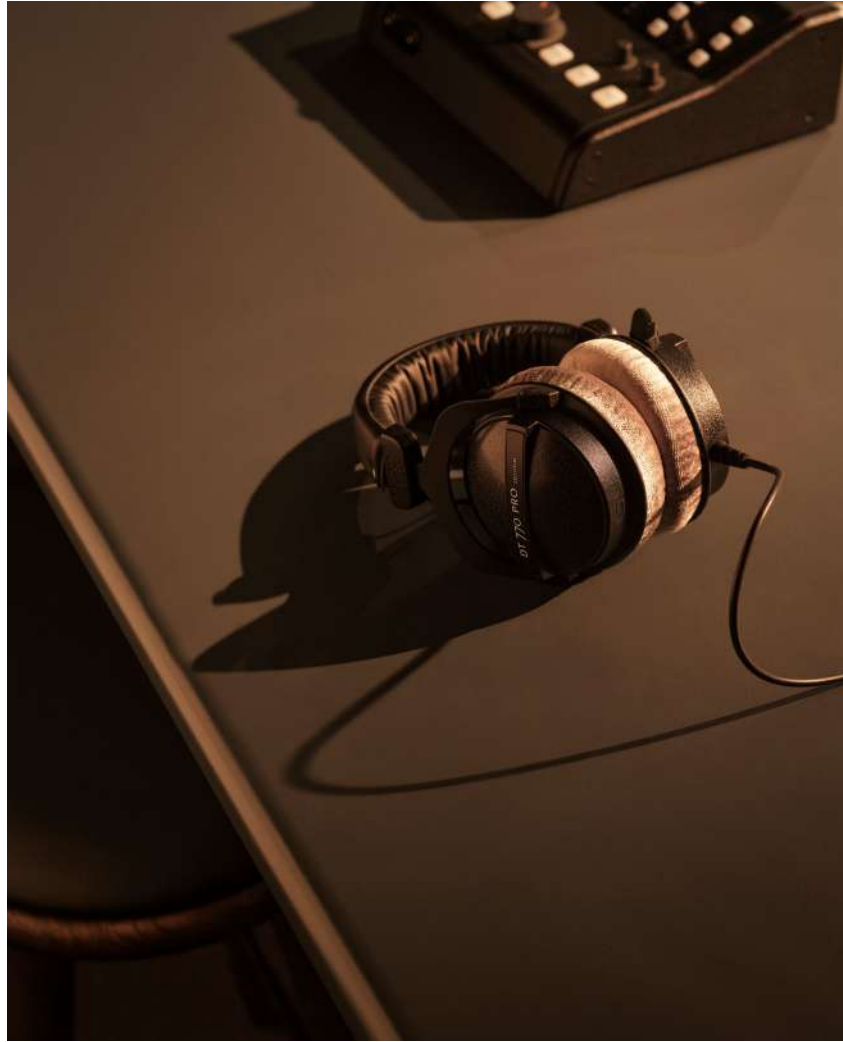

Built for writers, composers, and recording artists, it offers world-class acoustics and the latest gear in an intimate setting where creativity flows naturally.

THE SPACE

The studio has been designed in the style of the Houses with state-of-the-art equipment required for writing, recording, mixing, and producing. It has a dedicated booth for podcasts, voiceovers and audiobooks.

EQUIPMENT

- Cutting-edge recording equipment and software, including Logic Pro and Avid Pro Tools
- High-quality microphones, preamps and interfaces
- Flexible layout options to adapt to various recording set-ups and preferences
- Easily configurable rooms for tracking, mixing and production
- A diverse array of musical instruments, including guitar, bass, keyboard, amplifiers, and an extensive range of plug-in effects

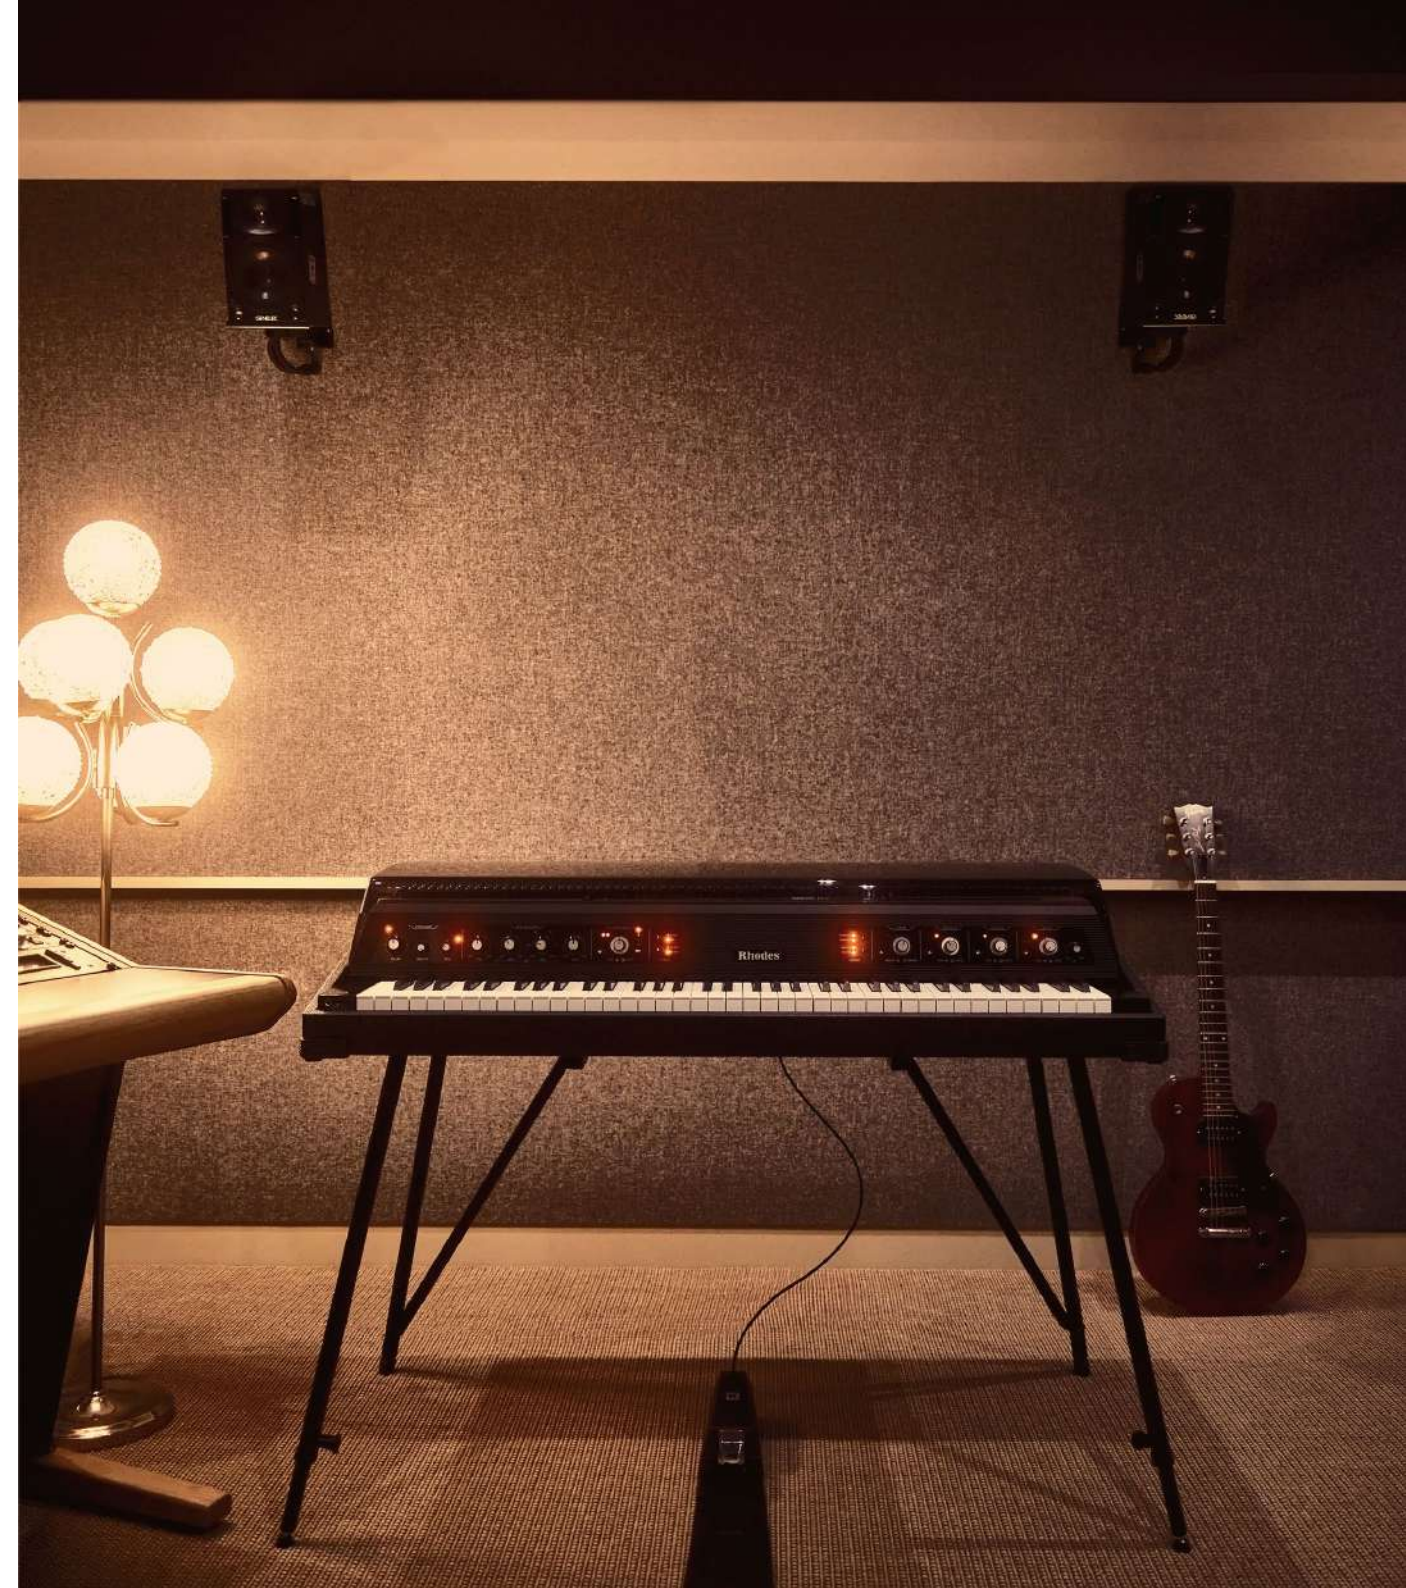

RHODES MK8 PIANO

In the studio, you'll find a Rhodes MK8 piano, known for its rich, warm tones and innovative design.

Key features:

- 73-note (E8-E80) Rhodes custom spruce keyboard by Kluge Klaviaturen GmbH (Steinway Group), oak and beech keyframe.
- Custom Rhodes-engineered analogue preamp featuring parametric EQ, independent drive, envelope control, wah, new Vari-Pan with four waveshapes, audio rate modulation capabilities and dual expression pedal control inputs.
- Rhodes custom stereo effect processor, including analogue compressor, phaser, chorus, and delay. True bypass. Expression pedal control of phaser speed, chorus speed, delay time, and delay feedback.

STATE-OF-THE-ART PODCAST STUDIOS

At Soho Works Dean Street, our state-of-the-art podcast studios offer a premium, highly concierged experience for creators and broadcasters alike. Designed to meet the demands of modern media, they are fully equipped for audio-visual podcasting, live streaming, audiobook recording, and professional TV interviews – with full remote capabilities.

Featuring cutting-edge recording technology, adaptable set designs and an experienced team, they provide a polished yet creative environment for individuals, influencers, and brands. There is a range of services to suit every level of production – from simple audio and video editing to bespoke music composition, branded podcast intros, and the creation of social media-ready clips tailored for maximum reach. A dedicated in-house team manages every stage of the process, ensuring a personalised experience from concept to distribution in the heart of Soho.
