Welcome

Found in Östermalm within an old Methodist church, the club combines historic architecture with a collection of Swedish art and design in over 1,430 sq m of member space

With preserved original features and vaulted ceilings, the club is spread over two floors with a mezzanine, a Club Cecconi's restaurant, and regular cultural programming for members.

Mezzanine

Overlooking the main club floor (what used to be the church hall), the mezzanine is an intimate meeting space for groups of 30 – 60 persons with an immaculate view of the room's well-preserved and historic ceilings and walls.
